

# Anna Deng

ANNADENG2020@U.NORTHWESTERN.EDU | 5302195817 | ANNADENG.COM

## EDUCATION

Northwestern University  
2020

B.Sc: Computer Science  
GPA: 3.46

Computer Programming sequence, Data Structures, Machine Learning, AI,  
Assembly, Computer Systems, Human Computer Interaction

## EXPERIENCE

Northwestern Masters Of Science In Artificial Intelligence. Evanston, IL  
*Front End Web Developer* | 08/2018 - 09/2018

- Front end development for a web based educational platform to be beta tested Fall 2018
- Designed and implemented website layout using React.js, Javascript, and CSS.

OSSera  
*Software Engineer Intern* | 08/2017 - 09/2017

- Assist in basic Java programming.

Center for Talent Development  
*Residential Teaching Assistant* | 06/2018 - 08/2018

- Worked in AP Computer Science and LaunchX Innovation Lab classes.

## SKILLS

Javascript  
Python  
React.js  
Git  
HTML  
CSS  
C#  
C++  
Matlab

## PROJECTS

- Machine learning project to predict the success of films based on attributes such as budget, actors, and release date.
- Rapidly prototyped functional software development projects (created in 2-4 weeks)
- Human Computer Interaction project to connect developers with non-profits
- Schedule sharing app

## EXTRACURRICULARS

- Treasurer and co-founder of Develop + Innovate for Social Change at Northwestern
- Treasurer of Women in Computing (WiC),
- Member of Society of Women Engineers

## HOBBIES

Installation art, cooking, and working with kids!
